"This rollicking collection... will have children giggling and enjoying reading success. " -- Kirkus Review This series is part of Scholastic's early reader line, Acorn, aimed at children who are learning to read. With easy-to-read text, a short-story format, plenty of humor, and full-color artwork on every page, these books will boost reading confidence and fluency. Acorn books plant a love of reading and help readers grow! Bumble and Bee have some hysterical ideas for an adventurous day on the pond -- such as going on a search for treasure and a wacky new version of hide-and-seek. Unfortunately, their best pal Froggy wants no part. Will Bumble and Bee's contagious energy be enough to tempt Froggy into joining them for a day of fun and games?

Bee and Me Dec 29 2022 A bee flies in the

window of the high-rise flat where she lives and a little girl is frightened. She traps the bee and then wonders what to do. This beautiful wordless picture book traces the growing friendship between girl and bee and introduces small children to the ecology of the natural world. Highlighting the plight of the disappearing bumble bee, it shows how some simple actions can help restore beauty and balance in our environment. With a list of bee-friendly seeds to plant and ways to protect bees at home.

How to Bee Feb 25 2020 A story about family, loyalty, kindness and bravery, set against an all-too-possible future where climate change has forever changed the way we live. In a world where real bees are extinct, the quickest, bravest kids climb the fruit trees and pollinate the flowers by hand. Peony lives with her sister, Magnolia, and her grandfather on a fruit farm outside the city. All Peony really wants is to be a bee. Even though she is only nine — and bees must be ten — Peony already knows all there is to know about being a bee and she is determined to achieve her dream. Life on the farm is a scrabble, but there is enough to eat and a place to sleep, and there is love. Then Peony ' s mother arrives to take her away from everything she has ever known. Peony is taken to

the city to work for a wealthy family. Will Peony 's grit and quick thinking be enough to keep her safe? How to Bee is a beautiful and fierce novel for younger readers, and the voice of Peony will stay with you long after you read the last page.

Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.5.6 Describe how a narrator's or speaker's point of view influences how events are described.

The Bee Book Oct 27 2022 Find out how you can help save the bees in lots of practical ways and discover the incredible science behind honey bees, beekeeping, and bees in the wild - from the carpenter solitary bee to the stingless sugarbag. The Bee Book is an intensely visual exploration of the big questions in bee science and ecology: why are bees such great pollinators? how do they make honey? is a swarm dangerous? how does a bumblebee fly? what is killing bees across the world and how can we stop it? The book is also a practical guide to adapting your outdoor space - no matter how small - to provide food and habitats for bees, with step-by-step projects for making bee homes and hotels, and a directory of the most bee-friendly plants to grow, with accompanying planting plans for pots and borders. And if you're looking to

take a love of bees to the next level, the book also features a comprehensive beginner's guide to beekeeping with all the information and step-by-step techniques you'll need to set up and manage a hive and collect its honey - with an array of recipes for making the best use of hive products.

The Bee Book Feb 28 2023 This charming illustrated non-fiction picture book takes you on an amazing journey through the world of bees. Bees are incredibly industrious, brilliant at building, super social, and - most importantly - along with other insects, they are responsible for a third of every mouthful of food you eat! The Bee Book is perfect to teach children age 5 and up all about our fuzzy little friends, how much they matter, why they are declining, and what we can do to help. This dazzling celebration of bees is lavishly illustrated by the talented up-and-coming author and illustrator Charlotte Milner. Children will be fascinated by beautiful pictures and buzz-worthy facts covering types of bee, bee hives, colonies, pollination, making honey and more. Meet the humble honey bee face-to-face: nature's hardest worker, and so much more than just a provider of honey in a picture book you will treasure forever.

(Bumble and Bee #1) Jan 18 2022 Bumble and Bee love to have FUN. But their best friend Froggy just wants some peace and quiet. "Buzz-worthy."
--Kirkus Reviews Pick a book. Grow a Reader! This series is part of Scholastic's early reader line, Acorn, aimed at children who are learning to read. With easy-to-read text, a short-story format, plenty of humor, and full-color artwork on every page, these books will boost reading confidence and fluency. Acorn books plant a love of reading and help readers grow! Bumble and Bee love to buzz around the pond and make mischief. Their cranky best friend Froggy prefers the peace and quiet of sitting on a lily pad. They may be an unlikely trio, but no matter what these friends dream up -- from picture day problem-solving to a

comical cure for the hiccups -- you can count on hilarious, unexpected FUN!

The Very Greedy Bee Nov 03 2020 MINE!

That's what the very greedy bee says to anyone who asks him to share. While all the other bees work hard to clean the hive and make honey, the very greedy bee spends all of his time gobbling pollen and guzzling nectar. One day he finds a meadow full of flowers and decides not to tell anyone. He spends the entire day buzzing from flower to flower until...THUMP. The very greedy bee is so full that he cannot fly! It's getting dark and he doesn't know how to get home unless he flies. With the help of some new found friends the very greedy bee is able to return to his hive and has learned that it's best to work with others and share what you have.

I Wish I Was a Bee Mar 20 2022 I Wish I Was a

Bee is a silly, rhyming and heartwarming tale about a bee who wants to be just about anything, but a bee! Read and giggle along as he tries to change who he is in crazy ways, in order to fit in with everyone else. It's not till the bee meets the sun that he learns he's God's masterpiece, and is special just the way he is. The sun helps the bee discover his purpose, and learn the amazing plan God has for him, that only he can fulfill. After reading this book, smile at the fact that just like the bee, you have a unique and wonderful purpose here. Know that you are amazing too, just the way God created you!

Five Bizzy Honey Bees - The Fun and Factual Life of the Honey Bee Jul 12 2021 Honey bees are among the most remarkable creatures on earth! They are regularly seen scouring the blossoms of flowers in the spring and summer months. And yet, ask most adults how honey bees produce honey and the answers will be as varied as the flowers. The fact is, each honey bee lives in a very structured and organized home, called a colony. There is nothing random about a beehive. Every bee has a specific assignment to further the work of the hive to produce the honey we all love. This story, with its award winning illustrations by internationally recognized Italian illustrator

Yuribelle, takes the reader on a fascinating journey into the hive and explores the highly organized life of a honey bee. Readers from 1 to 100 will be amazed at the fun, and yet factual, illustrations. Additionally, each page provides simple yet entertaining and engaging insight into the life of the honey bee. Adult readers will find additional factual information on each page to provide further insight. Without a doubt, this will be one of the most fascinating, informative and enjoyable books you will ever own. You will not be disappointed!

Flight of the Honey Bee Apr 01 2023 “ One of the most informative picture books about honey bees, this is surely among the most beautiful as well. ”
—Booklist (starred review) A tiny honey bee emerges from the hive for the first time. Using sunlight, landmarks, and scents to remember the path, she goes in search of pollen and nectar to share with the thousands of other bees in her hive. She uses her powerful sense of smell to locate the flowers that sustain her, avoids birds that might eat her, and returns home to share her finds with her many sisters. Nature lovers and scientists-to-

be are invited to explore the fascinating life of a honey bee. Back matter includes information about protecting bees and an index.

The Lola Bee Bop: A Bloomsbury Young Reader
Jan 30 2023 An upbeat rhyming story about bees and sustainability, ideal for children practising reading at home or in school. Lola is a bee who loves to boogie, but the rest of the hive think her dancing is silly. One day, their meadow is mowed and the bees must go in search of new nectar. Luckily, Lola's bop might just help them find it! This cheerful story from award-winning author John Dougherty is perfect for Key Stage 1 (KS1) children who are learning to read by themselves. It features funny colour illustrations by Pauline Gregory and is perfect for teaching children about sustainability and the importance of bees in our ecosystem. Bloomsbury Young Readers are the perfect way to get children reading, with book-banded stories by brilliant authors like Julia Donaldson. With gorgeous colour illustrations and inside cover notes to help children get the most out of stories, this series is ideal for home and school. Guided reading notes written by the Centre for Literacy in Primary Education (CLPE) are available at bloomsburyreaders.com. 'Every child needs a Bloomsbury Young Reader.' (Julie-Ann

McCulloch, Teacher) Purple Book Band. Ideal for ages 6+.

Bees May 10 2021

If I Could Be a Honey Bee Apr 28 2020 This is a fun book that will take you on an adventure of what would happen if you could be a honey bee. It takes you through a long day of honey making! When you read these words, you will discover how pollen is found, carried to the hive, and made into honey—everything down to the toast it goes on!

“ Read the word and be the word. ” This is a children ’ s book with a little information on the wonderful, amazing honey bee.
